

HPD Summer Student Program

Join our research team that explores the
Universe's fundamental secrets

- ✓ High Energy Physics
- ✓ Nuclear Astrophysics
- ✓ Particle Detection Systems
- ✓ Front-End Electronics & IT

Intended for advanced undergraduates
(third to fifth year of study, i.e. final-year Bachelor's or
early Master's level)

2025

July 15 - September 15

Deadline for application: **April 30, 2025**

Contact: 0040-21-4042311, mpetris@nipne.ro

For further information visit the Training /Summer
Student Program at <http://niham.nipne.ro>

Organized by: Hadron Physics Department, Horia Hulubei National Institute of Physics and Nuclear Engineering
